

SPRING SALE

OPEN 12 - 4

APRIL 28-29 | MAY 5-6, 12-13

Get growing this season with local, sustainably started plants and chicks from Bee-Well Farms.

Join us at the farm stand these spring weekends to choose from a large variety of organically grown vegetable, herb, and flower plants. Bring the whole family along to see the farm animals and feed the goats and chickens. Start your own flock of backyard chickens with our young pullets for sale and start eating delicious homegrown eggs as early as this summer!
